

GLACIER PARK FOUNDATION

Membership Form

The Glacier Park Foundation (GPF) is a citizens' group devoted to the welfare of Glacier National Park. Its members primarily are former concession employees. GPF recently has worked with the National Park Service to renovate Glacier's historic red "jammer" buses and to develop the Park's comprehensive new General Management Plan. Our special interest is in preserving Glacier's history and its historic visitor facilities.

Membership in GPF includes a subscription to The Inside Trail and the right to vote for directors. GPF is a section 501(c)(3) nonprofit corporation, and contributions are tax-deductible to the extent permitted by law. Membership classes are shown below. A "Friend of the Park" membership cumulates to a lifetime membership in five installments.
